DETAILED ACTION

Allowable Subject Matter

1. Claims 1-15 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not either in singly or in combination a device and method having the steps of forming a second conductive layer overlying the first conductive layer and covering the collar insulating layer; forming an insulating spacer over an upper portion of the sidewall of the trench and separated from the second conductive layer by a gap; thermally oxidizing a portion of the second conductive layer to form an oxide layer thereon whereby the gap is filled; removing the oxide layer to expose the second conductive layer; forming a reverse T-shaped insulating layer by chemical vapor deposition to serve as the trench top isolation layer; removing the insulating spacer, and a gate disposed overlying the reverse T-shaped insulating layer and insulated from the substrate with other elements in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
